04. Conditions of Tender – Instructions to Tenderer

TENDER NO: NC-CT00008

**CONDITIONS OF TENDER – INSTRUCTIONS TO TENDERER
(PLEASE DO NOT DETACH FROM FORM OF TENDER)**

The **NTUC Club** invites tender for PROVISION OF SERVICES FOR THE CONFIGURATION, INTEGRATION, AND IMPLEMENTATION SERVICES FOR NTUC CLUB'S CUSTOMER LOYALTY PROGRAMME

subject to the following Conditions of Tender:

1. The Tenderer if an individual must not be less than 21 years of age.
2. Each set of tender documents will be supplied to the Tenderer on receipt of a non-refundable fee of S\$**N.A.**.
3.
 - (1) The tendered price shall be clearly filled up for each individual item and shall exclude the Goods and Services Tax ("G.S.T."). Incomplete, illegible or altered tendered price shall render the tender liable to be rejected.
 - (2) The tendered price shall be valid for a period of **03 month(s)** from the closing date of the tender. The Tenderer unconditionally agrees to extend the validity period for such further periods not exceeding **03 month(s)** as and when so requested by the NTUC Club.
4. The Tenderer is to submit together with the Form of Tender a certified true copy of its current business profile from the Accounting & Corporate Regulatory Authority ("ACRA") or any relevant competent authority. The registered G.S.T. Tenderer shall submit a certified copy of the G.S.T. registration certificate to the NTUC Club.
5. The Tenderer is to submit together with the Form of Tender
 - a) a proposed delivery plan for the supply of goods;
 - b) the detail of services to be provided, included or excluded;
 - c) such other information that may affect the decision to be made by NTUC Club.
6.
 - (1) The successful Tenderer will have to enter into a formal agreement and, if the Tenderer collects, use, and/or disclose personal data to/from NTUC Club, a personal data protection undertaking with NTUC Club within the time stipulated by NTUC Club. A specimen of the draft formal agreement is attached herewith.
 - (2) The term of the agreement shall be **36 *month(s)** commencing from the date of execution of the formal agreement or commencing from a date as ordered by the NTUC Club ***with an option to renew for a further period of 12 *month(s)**. The successful Tenderer shall pay a security deposit, if required, upon signing the formal agreement.

7. The NTUC Club may terminate the formal agreement forthwith if, in the opinion of NTUC Club, the Tenderer's performance is not satisfactory. If the Tenderer has offered or given to any person any gift or consideration of any kind as an inducement, NTUC Club is entitled to terminate the Contract immediately without notice and to recover from the Tenderer the amount of any loss resulting from such termination.
8. The Tenderer shall be deemed to have full notice and knowledge of the specifications and or requirements of the NTUC Club. No error, omission or mis-statement in the specifications or in the description of the requirements provided by the NTUC Club shall invalidate the tender submitted by any successful Tenderer nor shall the same entitle any successful Tenderer to any compensation whatsoever or to any adjustment in the tendered price.
9. The successful Tenderer shall be notified of the acceptance of his tender by letter sent to him to the address stated in the Form of Tender. The Letter of Acceptance is deemed to have been communicated to the Tenderer the moment it is posted by Registered Post whether or not it is actually received by the Tenderer.
10. Where a successful Tenderer does not enter into the formal agreement or fail to furnish the security deposit within the period stipulated in the Letter of Acceptance, the successful Tenderer shall be deemed to have repudiated the contract and in this event, the NTUC Club shall be at liberty to award the tender to another tenderer and claim against such successful Tenderer for any loss or damage suffered by his repudiation.
11. At the time of signing the formal agreement, the successful Tenderer is required to produce *Identity Card/Passport and make the following payments: -
 - a) A security deposit equivalent to 5% of the tendered price or the sum of S\$5,000.00, whichever is the higher.
 - b) Stamp fee for the formal agreement, if applicable;
 - c) The G.S.T., if any.
12.
 - a) In case the Tenderer is an incorporated company, the formal agreement shall be executed by the director(s) who shall be required to stand as guarantor(s) for its observance and performance of the formal agreement. A certified true copy of the company's resolution authorising the execution of the formal agreement by the director(s) for and on behalf of the company shall be produced at the time of the execution of the formal agreement.
 - b) The company shall as and when required by the NTUC Club supply a certified copy of the Annual Return submitted to ACRA.
 - c) The company shall notify the NTUC Club immediately of any change of directors' shareholders or the value of the shares held by the shareholders or of any form of reconstruction of the company.

13.
 - a) In case the Tenderer is a partnership firm, the formal agreement shall be executed by two (s) of the partners.
 - b) The partnership firm shall not admit new partners or dismiss the existing partners without the NTUC Club's prior written consent, and if such consent is granted shall be subject to such terms and conditions as the NTUC Club may deem fit to impose at its absolute and unfettered discretion.
 - c) The partnership firm shall as and when required by the NTUC Club produce an up-to-date certified true copy of the business profile showing particulars of all partners from ACRA or the relevant competent authority and the firm's Annual Income Tax Return.
14.
 - a) In case where the Tenderer is a sole proprietor, he shall conduct the business as a sole proprietorship only and shall not convert it to a partnership or an incorporated company without first obtaining the written consent of the NTUC Club and if such consent is granted it shall be given on such terms and conditions as the NTUC Club may in its entire and unfettered discretion deem fit to impose.
 - b) He shall as and when required by the NTUC Club supply an up-to-date certified true copy of the business profile showing particulars of the sole proprietor from ACRA or the relevant competent authority.
15. The successful Tenderer who is required by law to obtain any licence permission or approval prior to commencement of business and/or carry out any business must make the necessary applications and obtain all the necessary approvals from the relevant authorities at his own cost and expenses. In this connection the NTUC Club shall not entertain any request for extension of time to commence the supply pending approval.
16.
 - (1) In the case of supply of goods, the successful Tenderer must obtain prior written consent from the NTUC Club with clear reason to substitute any supply of goods with any kind of similar quality. Should any substitution of any kind be made without first obtaining the prior consent and approval from the NTUC Club in writing, the successful Tenderer must make good at his own costs the unauthorised supply immediately without prejudice to the NTUC Club's right to claim for loss or damage suffered arising therefrom.
 - (2) The successful Tenderer is responsible for safe and efficient delivery of goods from his premises at his own cost.
17. Where site show round is necessary, it may be conducted once at the request of the Tenderer on a date and time suitable and convenient to NTUC Club. The Tenderer is deemed to have visited the site and have ascertained for and satisfied himself the nature and full extent of the requirements of this tender whether the site show round is conducted or not. The NTUC Club reserves its absolute right to reject any request for site show round as it deems fit and such rejection shall not be a ground for the Tenderer to withdraw his tender and or make any claim for refund of deposit or money paid.

18. Where drawings or artworks or samples are to be submitted with the Form of Tender, the NTUC Club reserves its absolute discretion not to return these drawings, artworks or samples to the unsuccessful Tenderer. The unsuccessful Tenderer shall not be entitled to claim any price or compensation from the NTUC Club.
19.
 - (1) No Tenderer or any person on his behalf shall make any attempt to canvass for, solicit or approach any officers, employees and or agents of the NTUC Club in any matter relating to or arising out of this tender.
 - (2) All Tenderers shall refrain from conspiring to submit the Form of Tender.
 - (3) In the event any tender is, in the opinion of the NTUC Club, likely to be tainted with any irregularity, the tender shall be liable to be rejected.
20.
 - (1) The NTUC Club does not bind itself to accept the **lowest** tender or any offer it may receive nor to provide any reason whatsoever for such rejection of any tender.
 - (2) The NTUC Club may at its absolute discretion consider accepting any tender with similar specifications without assigning any reason whatsoever.
 - (3) The NTUC Club reserves the right to award part of the tender to more than one Tenderer.
21. This Conditions of Tender shall form part of the formal agreement.
22. The tenderers will need to submit their tender documents with completed Form of Tender in PDF encrypted file via a dedicated tender box email at tender.box@ntucclub.com.sg on or before **14 August 2026** ("the closing date") by **6.00 p.m.**
23.
 - (1) All documents submitted for the tender shall be in English.
 - (2) Incomplete, illegible, defaced or unsigned Form of Tender or any document submitted for tender in any other language is liable to be rejected.
24. The successful Tenderer is required to commence operation within **one (1) month(s)** from the date of execution of the formal agreement or on the date specified in the Letter of Acceptance and if there is no such date then as soon as the successful Tenderer receives an order to that effect from the NTUC Club.
25. The NTUC Club reserves the right to amend these Conditions of Tender at any time it deems fit or as required by any of the relevant authorities in the interest of the public without notice to any Tenderer and such amendments, if any, shall bind all Tenderers.
26. The Tenderer is to bear all costs and expenses, if any, incurred in the preparation and submission of this tender.
27. The NTUC Club will not entertain any enquiry or query, verbal or in writing, from any Tenderer once this tender is closed.

28. Words importing the singular number include the plural number and vice versa and words importing the masculine gender include the feminine gender and words importing persons import also corporations.
29. This document and all information and data disclosed herein or herewith are the confidential secret and proprietary property of NTUC Club and are not to be used or disclosed in whole or in part to anyone without the prior written permission of NTUC Club. The inclusion of this clause does not oblige NTUC Club to disclose any information and NTUC Club retains discretion as to the information which it may disclose to the Tenderer or whether to enter into any agreement with the Tenderer. The Tenderer's obligation herein continues to apply in the event the Tenderer's tender is successful, unsuccessful, or rejected. The undertaking contained herein does not apply to any disclosure of information required by law, governmental or regulatory body. The Tenderer acknowledges that the remedies available to NTUC Club for breach of this undertaking include injunctive relief and damages.
30. In respect of any Personal Data (as hereinafter defined) that the Tenderer may provide or that NTUC Club may collect in connection with this tender exercise and to the extent that the Tenderer's consent is required under Personal Data Protection Act ("PDPA"), the Tenderer agrees that NTUC Club (together with NTUC Club's employees, agents or independent contractors appointed by NTUC Club) may collect, use, disclose and process such Personal Data for the following purposes:
 - (i) to conduct appropriate due diligence checks.
 - (ii) to perform administration of the tender exercise including the verification of the Tenderer's representative's identity; or
 - (iii) any other purpose relating to this tender exercise (collectively referred to as "Purposes").

If the Tenderer provides NTUC Club or NTUC Club's agents, employees, servants, NTUC Club's consultants or independent contractors appointed by NTUC Club with Personal Data of any individual (including, where applicable, the Tenderer's partners, contractors, employees or agents), the Tenderer represents and warrants to NTUC Club that the Tenderer has obtained such individual's consent for, and hereby consents on behalf of such individual to the collection, use, disclosure and processing of his/her Personal Data by NTUC Club or NTUC Club's agents, employees, servants, NTUC Club's consultants or independent contractors appointed by NTUC Club in accordance with the Purposes and in compliance with PDPA.

Any consent given pursuant to this tender exercise in relation to Personal Data shall survive death, incapacity, bankruptcy or insolvency of any such individual and the termination or expiration of this tender.

"Personal Data" means data, whether true or not, about an individual who can be identified.

- (i) from that data; or
- (ii) from that data and other information to which NTUC Club has or is likely to have access.

5. Compliance to Instructions

- 5.1 Tender Offers will only be accepted if submitted accordingly to instructions contained and in the form(s) prescribed in the Invitation to Tender. Any Tender Offer which attempts to vary any of the documents in the Invitation to Tender is liable to be rejected. In consideration of the Tenderer agreeing to abide by these instructions in the Invitation to Tender, NTUC Club shall evaluate all Tender Offers fairly and in accordance with the said instructions.

6. Withdrawal of Tender

- 6.1 No Tender Offer may be withdrawn after the Closing Date prescribed in the Invitation to Tender. Any Tenderers who attempt to do so may, in addition to any remedy the Employer may have against him, be liable to be debarred from future NTUC Club and RCPL tenders.

8. Confidentiality

- 8.1 Except with written consent from the Employer, the Tenderer shall not disclose this Tender, or any part of its provision, or any specifications, that is issued by the Employer.

9. Ownership of Tender Documents

- 9.1 All documents submitted by the Tenderer in response to this Invitation to Tender shall become property of the NTUC Club. However, intellectual property in the information contained in the Tender Offer submitted by the Tenderer shall remain vested in the Tenderer. This Clause is without prejudice to any provisions to the contrary in any subsequent contract between the Tenderer and NTUC Club.

10. Clarifications of the Tender Offer

- 10.1 In the event that NTUC Club seek(s) clarification upon any aspect of the Tenderer's Tender Offer, the Tenderer shall provide full and comprehensive response in writing within three (3) days of notification by NTUC Club.
- 10.2 NTUC Club may require Tenderers to attend a tender interview to obtain clarification upon any aspect of the Tenderer's Tender Offer. NTUC Club may also require the Tenderer to provide such full and comprehensive response in writing, within three (3) days of notification by the Employer, after such a tender interview.

11. Notification

- 11.1 Notification will not necessarily be sent to unsuccessful Tenderers by the NTUC Club.

12. Disclaimer

- 12.1 This Invitation to Tender may not contain all the information which Tenderers may require. Tenderers should therefore make their own inquiries and seek such clarifications they think necessary. NTUC Club shall not be liable to any Tenderer for any information in this Invitation to Tender which is incomplete or inaccurate.

13. Tender documents Issued by the NTUC Club

- 13.1 The Tenderer shall satisfy himself on the contents of all tender documents (including those incorporated by reference). He shall also check that the tender documents issued to him are complete and that no pages are missing or duplicated. The Tender Prices and the Contract Sum shall include all expenses and no adjustment shall be made to the Tender Prices or the Contract Sum for any error.

14. Amendments to the Tender documents

- 14.1 At any time prior to the deadline of the submission of the Tender Offers, NTUC Club may, for any reason, whether at its own initiative or in response to a clarification requested by a Tenderer, modify the tender documents by the issuance of a Corrigendum. The Corrigendum will be posted in writing, and emailed, to all Tenderers. Tenderers shall promptly acknowledge receipt of the Corrigendum to the Employer in writing. A Tenderer who does not acknowledge the receipt of any Corrigendum will not be permitted to submit his Tender Offer

15. Pricing of Tenders

- 15.1 When submitting his Tender Offer, the Tenderer shall fill in the rates and prices of all items in the Tender Offer legibly. Items against which no rate or price is entered by the Tenderer will not be paid for by the Employer when executed and shall be deemed to be covered by the other rates and prices in the Tender Offer. The Tenderer shall ensure that the rate and price for each item shall truly represent the true value of the item.

16. Liquidated Damages for Delay

- 16.1 If the contractor is deemed to be at fault for the delay, NTUC Club may claim liquidated delay damages in the amount of **\$500 per day** for each day of delay until the works set out in in this tender are fully completed.

17. Expenses

- 17.1 No expenses incurred by Tenderers in the preparation of Tender Offers shall be borne by NTUC Club.

WHEREAS:

By the Form of Tender dated **2026** and by the Letter of Acceptance dated **2026**, the Seller agrees to supply the Goods (hereinafter defined) and the Buyer agrees to buy and accept the Goods from the Seller on terms and conditions hereinafter set out.

IT IS HEREBY AGREED as follows:

1. **Definitions**

“**Goods**” means the articles or things or any of them described in the Specifications and or in the Order including the substituted goods approved and accepted by the Buyer.

“**Specifications**” means the specifications stipulated in the tender documents.

“**Order**” means the order placed by the Buyer for the supply of the Goods.

“Price” means the price of the Goods offered by the Seller as set out in the Form of Tender and the Schedule of Price and accepted by the Buyer in the tender exercise.

“Supply of Goods” shall where necessary include manufacture, processing or testing of the Goods.

The description of Goods in the Order shall prevail in the event of any discrepancy or inconsistency between the Order and the Specifications.

Words importing the singular number shall include the plural and the masculine gender shall include the feminine or neuter and vice versa and words importing persons shall include corporations;

Where two or more persons are included in the term “the Seller” all terms conditions stipulations obligations and agreements shall be binding on them jointly and each of them severally and shall also be binding on their personal representatives and permitted assigns respectively jointly and severally.

2. **Agreements**

- (1) The Seller agrees to make, where applicable, and to supply to the Buyer the Goods at the Price and for the term of **thirty six (36) month(s)** commencing from the date stated in the Letter of Acceptance **with an option to renew for a further term of twelve (12) month(s)** a price and terms and conditions to be mutually agreed upon by the parties hereto.
- (2) The Buyer shall have the right of refusal to renew this agreement upon its expiration without assigning any reason.
- (3) This agreement confers no exclusive rights to the Seller to supply the Goods to the Buyer and the Buyer shall be at liberty to engage other supplier(s) to supply the Goods or any portion thereof to the Buyer during the term of this agreement.

3. **Acknowledgements**

- (1) The Buyer shall be bound by the Order only if it is placed on its official order form.
- (2) The Buyer is at liberty to place the Order to the Seller as and when the Buyer deems it necessary.

4. **Variation of Conditions**

Neither the Buyer nor the Seller shall be bound by any variation, waiver of, or addition to these conditions except as agreed by both parties in writing and signed on their behalf.

5. **Quality & Description**

Subject to clauses 10 and 11 the Goods shall:

- (1) conform as to quantity, quality and description with the Specifications and or the Order;
- (2) be of sound materials and workmanship;
- (3) be equal in all respects to the Specifications or the Order and or the samples or patterns given by either party, if any;
- (4) be capable of any standard of performance indicated in the Specifications or the Order;
- (5) be fit for the purpose indicated in the Specifications or the Order.

6. Inspection and Testing

- (1) Before despatching the Goods the Seller shall carefully inspect (and test them where applicable) for compliance with the Specifications or the Order. The Seller shall give the Buyer reasonable notice of any necessary test, if applicable, to be conducted and the Buyer shall be entitled to be represented thereat. The Seller shall also at the request of the Buyer supply to the Buyer a certified copy of the Seller's test sheets without cost to the Buyer.
- (2) The Buyer shall be entitled to inspect the Goods (and or test the Goods during manufacture, processing or storage, where applicable). The Seller shall, at the request of the Buyer, assist and provide all such facilities as may reasonably be required for and during the inspection without cost to the Buyer.
- (3) If as a result of any inspection (or test where applicable) under the preceding sub-clauses the Buyer or its representative is of the reasonable opinion that the Goods do not comply with the Specifications or the Order (or are unlikely on completion of manufacture or processing so to comply), the Buyer shall be entitled to refuse acceptance of delivery of the Goods and require the Seller to take such steps as may be necessary to ensure such compliance without cost to the Buyer.
- (4) The Buyer shall be entitled to refuse acceptance of delivery of the Goods which are in compliance with the Specifications or the Order but are defective or damaged or with incomplete quantity and require the Seller to take such steps with all speed to remedy the situation without cost to the Buyer.

7. Delivery & Storage

- (1) The Goods shall, at the Seller's own risk and expense, be properly packed and secured in such manner as to reach their destination in good condition under normal conditions of transport and shall be delivered by the Seller at, or despatched for delivery to, the place or places and in the manner specified by the Buyer.
- (2) The Seller must obtain prior written consent from the Buyer with clear reason to substitute any supply of Goods with any kind of similar quality. Should any substitution of any kind be made without first obtaining the prior consent and approval from the Buyer in writing, the Seller must make good at its own costs the unauthorised supply immediately without prejudice to the Buyer's right to claim for loss or damage suffered arising therefrom.

- (3) If the Seller requires any packing cases, drums and or any other re-usable articles used for packing the Goods to be returned to the Seller, the Seller shall inform the Buyer prior to delivery of the Goods otherwise the Buyer is not obliged to return or arrange to return such packing cases, drums and or re-usable articles used for packing the Goods. The Seller shall bear all costs for the return of the packing cases, drums and or re-usable articles used for packing the Goods.
- (4) If for any reason the Buyer is unable to accept delivery of the Goods at the time when the Goods are due and ready for delivery the Seller shall store the Goods, safeguard them and take all reasonable steps to prevent their deterioration until their actual delivery, and the Buyer shall pay a reasonable storage cost (including insurance where necessary) to the Seller for it doing so.
- (5) The Seller shall at its own risk and expense provide the manpower, transport, equipment or any other facility or thing necessary for the safe, efficient and proper delivery, or storage where necessary, of the Goods.

8. Passing of Property

- (1) Subject to the provision of sub-clause (2) of this clause the property in the Goods shall pass to the Buyer upon acceptance of delivery by the Buyer without prejudice to any right of rejection which may accrue to the Buyer under these conditions.
- (2) In the event the Seller postpones delivery at the request of the Buyer pursuant to clause 7(4) the property in the Goods shall pass to the Buyer seven (7) days after the date of receipt of notification from the Seller that the Goods are due and ready for delivery or on such other date as may be agreed but the Goods shall nevertheless remain at the Seller's risk until actual delivery has been completed.

9. Time

- (1) The Seller shall deliver the Goods at the time specified by the Buyer in its Order or at such other time as the parties may subsequently agree. Time shall be of the essence and shall begin to run from the date of receipt by the Seller of the Order (or the date on which the Seller is placed in possession of such information as may be necessary to enable the Seller to start work on the Goods, where applicable). If the Seller is unable to deliver the Goods within the specified time, the Seller shall give the Buyer notice in writing without delay of its intention to claim an extension of time and the Buyer may (but shall not be obliged to) grant the Seller such extension of time as may be reasonable.
- (2) If the Goods or any portion of thereof are not delivered within the specified time or any extension of such time or times, the Buyer shall be entitled to determine the Order in respect of the Goods undelivered as aforesaid and of any other Goods already delivered under the Order which cannot be effectively and commercially used by reason of the non-delivery of the Goods undelivered as aforesaid. On such determination, the Buyer shall be entitled:
 - (a) to return to the Seller at the Seller's risk and expense any of the Goods already delivered but which cannot be effectively and commercially used as aforesaid

and to recover from the Seller any monies paid by the Buyer in respect of such Goods;

- (b) to recover from the Seller any additional expenditure reasonably incurred by the Buyer in obtaining other goods in replacement of those in respect of which the Order has been determined;
- (c) to claim against the Seller for any loss or damage (including legal cost on an indemnity basis) suffered by the Buyer as a result of the non-delivery of the Goods or any portion thereof.

10. **Rejection**

- (1) The Buyer may reject any Goods if the Seller fails to comply with its obligations under clause 6 hereof and may also after acceptance of delivery reject any Goods which are found not to be in accordance with the Specifications or the Order.
- (2) The Seller shall arrange to take back any Goods so rejected by the Buyer as aforesaid at the Seller's risk and expense and shall within a reasonable time replace such rejected Goods with Goods which are in all respects in accordance with the Specifications or the Order. The Buyer shall not be liable to the Seller for any loss or damage howsoever caused to any rejected Goods while such rejected Goods are still in the custody of the Buyer before their return and the Buyer shall be entitled to claim a reasonable storage fee from the Seller until such rejected Goods are taken back by the Seller.
- (3) Any monies paid by the Buyer to the Seller in respect of any rejected Goods not replaced by the Seller together with any additional expenditure over and above the Price reasonably incurred by the Buyer in obtaining other goods in replacement shall be paid by the Seller to the Buyer. The Buyer may (but shall not be obliged to) deduct such monies or additional expenditure as aforesaid from the security deposit, if any.

11. **Guarantee**

- (1) The Goods delivered shall be under guarantee by the Seller for a period of _____ month(s) / year(s) (hereinafter called "the guaranteed period").
- (2)
 - (a) If within the guaranteed period the Buyer notifies the Seller of any defect in the Goods which shall arise under proper use from faulty design, materials or workmanship, or from any cause howsoever arises under proper use, then the Seller shall with all possible speed replace the Goods so as to remedy the defect without cost to the Buyer.
 - (b) Subject to the Buyer's agreement, the Seller may repair the defective Goods either at the Buyer's premises or at the Seller's premises at the Seller's risk and expense if the defect is in the reasonable opinion of the Buyer of such a nature that such repair would remedy the defect and would not in any way affect the quality of the Goods.

- (3) Upon notification by the Buyer as aforesaid, the Seller shall arrange to take back such defective Goods at the Seller's risk and expense. The Buyer shall not be liable to the Seller for any loss or damage howsoever caused to any such defective Goods which are still in the custody of the Buyer before their return and the Buyer shall be entitled to claim a reasonable storage fee from the Seller until such defective Goods are taken back by the Seller.

12. **Damage or Loss in Transit**

The Seller shall replace or with the Buyer's agreement repair, free of charge, Goods damaged or lost in transit where delivery by transport is arranged by the Seller, within a reasonable time.

13. **Price and Payment**

- (1) The Price of the Goods shall remain firm for the duration of this agreement and shall not subject to any adjustment for any reason whatsoever.
- (2) Subject to sub-clause (3) of this clause, payment of the Price shall be made within the period after delivery specified in the Order, or if delivery is postponed at the request of the Buyer as provided in clause 7(4) within the same period after the date when the property in the Goods passed to the Buyer under that clause.
- (3) The Buyer is justified in withholding any payment within the aforesaid period if the Seller's relevant tax invoice(s) or any other relevant document(s) are not in order and or if the Goods delivered are rejected. Payment without any interest accrued will then be made within the same period after the date the Seller's relevant tax invoice(s) or any other relevant document(s) are put in order and or after the date the rejected Goods are replaced or repaired.

14. **Care and Return of Samples**

- (1) Any sample, item or material provided by the Buyer to the Seller in connection with the supply of Goods shall remain the property of the Buyer.
- (2) The Seller shall maintain and take care of all such sample, item or material in good order and condition while they are in the Seller's custody and on

completion of the Order or as otherwise directed by the Buyer shall return them to the Buyer at the Seller's risk and expense in good order and condition. Should the Seller fail so to return them the Buyer may either withhold

payment until they are so returned or withhold such part of the payment due as may be required to replace them or to restore them to good order and condition, whichever may be the less expensive.

- (3) The Seller shall not use such sample, item or material, nor shall the Seller authorize or knowingly permit them to be used by anyone else for, or in connection with, any purpose other than the supply of Goods to the Buyer unless such use is expressly authorized by the Buyer, previously and in writing.

15. **Statutory Requirements**

The Seller warrants that the design, construction and quality of Goods to be supplied to the Buyer comply in all respect with all relevant requirements of any statute, statutory rule or order, or other instrument having the force of law which may be in force at the time when the same are supplied.

16. **Infringement of Intellectual Property Right**

- (1) The Seller shall fully indemnify the Buyer against any action, claim, demand, costs, charges, and expenses arising from or incurred by reason of any infringement or alleged infringement of any intellectual property right by the use or sale of the Goods and against all costs and damages which the Buyer may incur in any action for such infringement or for which the Buyer may become liable in any such action. PROVIDED ALWAYS that this indemnity shall not apply to any infringement which is due to the Seller having followed a design or instruction furnished by the Buyer or to the use of the Goods in a manner or for a purpose not reasonably to be inferred by the Seller or disclosed to the Seller prior to the making of this agreement.
- (2) In the event of any claim being made or action brought against the Buyer arising out of the matters referred to in this clause, the Seller may at its own expense conduct all negotiations for the settlement of the same, and any litigation that may arise therefrom. The conduct by the Seller of such negotiations or litigation shall be conditional upon the Seller having first given to the Buyer such reasonable security as shall from time to time be required by the Buyer to cover the amount ascertained or agreed or estimated, as the case may be, of any compensation, damages, expenses, and costs for which the Buyer may become liable. The Buyer will, at the request of the Seller, afford all available assistance for any such purpose, and shall be repaid any expenses incurred in so doing. The inclusion of this sub-clause shall not be construed to have given any prior right to the Contractor to conduct the negotiation for settlement as aforesaid.

17. **Assignment or Sub-Contract**

- (1) The Seller shall not without the consent in writing of the Buyer assign or transfer this agreement or any part of it to any other person except as part of a company amalgamation or reconstruction.
- (2) The Seller shall not without the consent in writing of the Buyer sub-contract this agreement or any part thereof other than for materials, minor details or for

any part of the Goods of which the makers, if any, are named in the Order or the Specifications, but this shall not prevent the Seller sub-contracting part of this agreement to any company which is a member of the group to which the Seller belongs or a company with whom the Seller is associated. Any such consent shall not relieve the Seller of any of its obligations under this agreement.
- (3) The Seller hereby expressly acknowledges and undertakes to the Buyer that where the Buyer assigns its rights and interest in under or arising out of this agreement (including the transfer of the security deposit, if any), the Seller shall be deemed to have consented to such assignment. Provided that the Buyer shall procure that the assignee

assumes all the Buyer's obligations contained in this agreement including but not limited to the obligation to refund the security deposit in the manner provided therein and shall accept any assignee of the Buyer as its new Buyer and shall upon the request of the Buyer forthwith release the Buyer from all its obligations under the provisions of this agreement and in particular the obligation of the Buyer to refund the security deposit. Where required by the Buyer, the Seller shall execute any agreement or assignment made or to be made by the Buyer and its assignee, such agreement or assignment to be prepared by and at the expense of the Buyer.

18. Termination

- (1) If the Seller shall at any time fail or neglect to perform or observe any terms and conditions herein contained and on its part to be observed and performed, or if, in the opinion of the Buyer, the Seller's performance is not satisfactory, or if the Seller being an individual (or, when the seller is a firm, any partner in that firm) shall at any time become bankrupt, or shall having a receiving order made against him or shall make any composition or arrangement with, or for the benefit of his creditors or shall purport to do so, or if the Seller, being a company, shall pass a resolution, or the court shall make an order that the company shall be wound up (not being a members' winding up for the purpose of reconstruction or amalgamation) or if a receiver, or manager on behalf of a creditor, shall be appointed, or if circumstances shall arise which entitle the court or a creditor to appoint a receiver or manager, or which entitle the court to make a winding-up order, then the Buyer shall be at liberty and at its option:
 - (a) to cancel the Order summarily by notice in writing without compensation to the Seller or to require the Seller to fulfill the Order as the Buyer deems fit and necessary;
 - (b) to terminate this agreement by notice in writing without compensation to the Seller; or
 - (c) to give any such receiver or liquidator or other person the option of carrying out the Order and or this agreement.
- (2) In the event there is cancellation or termination as aforesaid
 - (a) the Buyer shall be entitled to forfeit the security deposit, if any;
 - (b) the Seller shall at the Seller's risk and expense immediately return all the Buyer's sample, item or material, if any, in good order and condition.
- (3) The exercise of any of the rights reserved to the Buyer under the preceding sub-clauses (1) and (2) shall not prejudice or affect any right of action or remedy which shall have accrued or shall accrue thereafter to the Buyer.

19. Indemnity

- (1) The Seller shall subject to sub-clauses (2) and (3) of this clause indemnify the Buyer in respect of all damage or injury occurring to any person or to any property and against all actions, suits, claims, demands, costs, charges or expenses arising in connection therewith to the extent that the same shall have been occasioned by the negligence of the Seller, its servants or agents during such time as anyone of them was on, entering

onto or departing from the Buyer's premises for any purpose connected with this agreement;

- (2) The Seller shall not be liable to the Buyer for:
- (a) any loss of profit or of contracts except when such loss is occasioned or caused by or arises out of the acts or omissions of the Seller;
 - (b) any damage or injury to the extent that the same is occasioned or caused by or arises out of the acts or omissions of the Buyer or of others (not being the Seller's servants or agents).
- (3) In the event of any claim being made or action brought against the Buyer by reason of the matters referred to and in respect of which the Seller is liable under this clause, the Seller may at its own expense conduct all negotiations for the settlement of the same, and any litigation that may arise therefrom. The conduct by the Seller of such negotiations or litigation shall be conditional upon the Seller having first given to the Buyer such reasonable security as shall from time to time be required by the Buyer to cover the amount ascertained or agreed or estimated, as the case may be, of any compensation, damages, expenses, and costs for which the Buyer may become liable.

The Buyer will, at the request of the Seller, afford all available assistance for any such purpose, and shall be repaid any expenses incurred in so doing. The inclusion of this sub-clause shall not be construed to have given any prior right to the Contractor to conduct the negotiation for settlement as aforesaid.

20. **Arbitration and Mediation**

- (1) Any dispute or difference between the parties hereto on any matter arising out of the construction or interpretation of this agreement or as to the rights, duties or obligations of either party hereto shall be referred to arbitration in accordance with the Singapore Arbitration Act (Cap. 16) and any statutory modification or re-enactment thereof for the time being in force.
- (2) Notwithstanding the preceding sub-clause (1) all dispute or difference arising out of or in connection with this agreement shall first be submitted to the Singapore Mediation Centre for resolution. The parties hereto agree and undertake to participate in the mediation in good faith and to abide by the terms of any settlement reached. The right to have the dispute or difference arbitrated or litigated shall not arise until or unless one or more parties serve a notice in writing on all the other parties and the Singapore Mediation Centre withdrawing the matter from mediation.

21. **Confidentiality**

- (1) The parties hereto agree and undertake that
- (a) they shall hold and keep all Confidential Information (hereinafter defined) in strict confidence and shall not disclose it to any third party save as hereinafter specifically provided for;

- (b) they shall use the Confidential Information solely for the purpose of this agreement and shall not use or permit to be used the Confidential Information for any other purpose not authorized by the other party;
 - (c) neither party shall distribute, copy or reproduce any Confidential Information to any third party save for the purpose of this agreement and with the prior consent in writing of the other party.
- (2) Confidential Information means all information and data relating to either party's business, activities, affairs, operations, financial position, technical capability, resources, costing and pricing, strategies, plans, designs, profiles of suppliers or customers including but not limited to oral, written, graphic, printed, machine-readable or electronic form .
- (3) Any information which is generally available to the public is not Confidential Information unless otherwise so classified by the parties.
- (4) Either party shall be under no obligation of non-disclosure in respect of any part of the Confidential Information if:
 - a. the other party gives its consent to such disclosure or distribution;
 - b. such information is required by any laws or regulations or order of court or statutory direction to be disclosed by either party.
- (5) In the event any disclosure has to be made as aforesaid, the parties undertake to
 - a. disclose only such Confidential Information to the extent required to be disclosed; and
 - b. immediately notify the other party and shall render such assistance and provide the other party the opportunity to oppose or seek a protective order or other remedy.
- (6) Subject to the terms of this agreement, the parties' undertaking herein continues to apply in the event of the purpose of this agreement being completed, abandoned or any agreement in relation to the purpose of this agreement being terminated or rescinded by either party or otherwise comes to an end.
- (7) The Seller undertakes that it shall promptly, on request by the Buyer following the termination or suspension of the purpose of this agreement, return the Confidential Information to the Buyer so requests and / or destroy it.
- (8) Nothing herein obliges the Buyer to disclose any information and the Buyer retains discretion as to the information which it may disclose to the Seller or whether to enter into any other agreement with the Seller.
- (9) The Seller agrees that any Confidential Information, directly or indirectly, acquired by the Seller from the Buyer for the purpose of this agreement, is and remains the sole and complete property of the Buyer, and the Seller acknowledges that the remedies available to the Buyer for breach of this undertaking include injunctive relief and damages.

22. **Security Deposit**

- (1) The Seller shall furnish the Buyer with the Security Deposit as security for due performance and observance by the Seller of this agreement on or before the execution of this agreement.
- (2) The Buyer may at any time increase the Security Deposit.
- (3) The Seller shall provide the Buyer with the increased amount of Security Deposit notified by Buyer within seven (7) days of the Buyer's notification, and references to "security deposit" shall be construed as to the amount as increased by Buyer from time to time.
- (4) The Buyer may at any time utilise any security deposit in payment of any sum due to the Buyer from the Seller howsoever arise. The Seller must, if so required by the Buyer, immediately reinstate the Security Deposit after any part of the Security Deposit is utilized by the Buyer.
- (5) Unless otherwise agreed, the Buyer shall be entitled to retain all security deposit provided by or on behalf of the Seller free of interest until **fourteen (14) calendar days** after the expiry of this agreement.

23. **Force Majeure**

This agreement shall be suspended for any period during which either party reasonably believes the parties are prevented or hindered from complying with their obligations under any part of this agreement, by any cause beyond their reasonable control including but not restricted to strikes, war, civil disorder, and natural disasters.

24. **License and Permit**

If the Seller is required by law to obtain any license permit or approval prior to operate its business and or to supply the Goods, the Seller must make the necessary applications and obtain all the necessary approvals from the relevant authorities at its own costs and expenses and shall produce same promptly for inspection or verification by the Buyer on demand.

25. **Stamp Duty, Legal Fees and Expenses etc**

The Seller shall pay

- (1) the stamp duty and the Buyer's legal costs and expenses incurred in the preparation, negotiation and execution of this agreement (in duplicate), if any;
- (2) all costs and expenses including reasonable and customary solicitors' costs incurred by the Buyer of and incidental to the service of all notices whether served during or after the termination of this agreement (but relating in all cases to matters arising out of this agreement);
- (3) all costs and expenses (including reasonable and customary solicitors' costs on a full indemnity basis) in connection with any claim or legal proceedings

which may be brought by the Buyer against the Seller in connection with or arising out of any breach by the Seller of the terms, conditions, stipulations, obligations and agreements of this agreement.

26. Foreign Employees

- (1) The Seller undertakes that only foreigners with valid permits to stay and work in Singapore will be allowed to perform or carry out any work for the supply of the Goods under this agreement.
- (2) Non-compliance with the preceding sub-clause (1) is construed as a fundamental breach of this agreement which will entitle the Buyer to terminate this agreement without any compensation and the relevant provisions in clause 18 of this agreement shall apply.

27. Inducement and Rewards

The Buyer shall be entitled to terminate this agreement without notice and without compensation if the Seller or its servants or agents shall have, in the reasonable belief or opinion of the Buyer, offered or given or agreed to offer or give to the employees of the Buyer or any person any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any action in relation to the performance and or fulfillment of this agreement and the relevant provisions of clause 18 of this agreement shall apply.

28. Notice

- (1) Any notice required to be served hereunder shall if to be served on the Seller be sufficiently served if addressed to the Seller and sent by prepaid post to or delivered at the Seller's address in Singapore, and shall if to be served on the Buyer be sufficiently served if addressed to the Buyer and sent by prepaid post to or delivered at the Buyer's address in Singapore.
- (2) A notice sent by registered post shall be deemed to be given at the time when in due course of post, it would be delivered at the address to which it is sent.

29. Severability

If at any time any one or more of the provisions hereof is determined to be or becomes illegal, invalid or unenforceable in any respect under the applicable laws of any jurisdiction to which this agreement is subject, neither the legality, validity or enforceability of the remaining provisions hereof, nor the legality, validity or enforceability of such provision under the applicable laws of any other jurisdiction, shall in any way be affected or impaired thereby.

30. No Waiver

No consent or waiver expressed or implied by the Buyer to or of one breach of any terms, conditions, stipulations, obligations and agreements of the Seller shall be construed as a consent or waiver to or of another breach of the same or any other term, condition, stipulation, obligation and agreement and shall not prejudice in any way the rights, powers and remedies of the Buyer herein contained.

31. **Clause Headings**

The clause headings appearing in this agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of the sections or clauses of this agreement nor in any way affect this agreement.

32. **Governing Law**

- (1) This agreement shall be governed by and construed in accordance with the laws of the Republic of Singapore.
- (2) A person who is not a party to this agreement has no right under the Contracts (Rights of Third Parties) Act 2001 to enforce the benefit of any term of this agreement.

33. **Personal Data**

In respect of any Personal Data (as hereinafter defined) that the Seller may provide or that the Buyer may collect in connection with this agreement and to the extent that the Seller's consent is required under Personal Data Protection Act ("PDPA"), the Seller agrees that the Buyer (together with the Buyer's agents, employees or servants) may collect, use, disclose and process such Personal Data for the following purposes:

- (i) to conduct appropriate due diligence checks;
- (ii) to perform administration of this agreement including the verification of the Seller's representative's identity, preparation of the agreement or documentations; or
- (iii) any other purpose relating to this agreement (collectively referred to as "Purposes").

If the Seller provides the Buyer or the Buyer's agents, employees or servants, with Personal Data of any individual (including, where applicable, the Seller's partners, employees or agents), the Seller represents and warrants to the Buyer that the Seller has obtained such individual's consent for, and hereby consents on behalf of such individual to the collection, use, disclosure and processing of his/her Personal Data by the Buyer or the Buyer's agents, employees or servants in accordance with the Purposes and in compliance with PDPA.

Any consent given pursuant to this agreement in relation to Personal Data shall survive death, incapacity, bankruptcy or insolvency of any such individual and the termination or expiration of this agreement.

"Personal Data" means data, whether true or not, about an individual who can be identified

- (i) from that data; or
- (ii) from that data and other information to which the Buyer has or is likely to have access.

NTUC CLUB

BUSINESS REQUIREMENTS DOCUMENT

Provision of Services for the Configuration, Integration, and Implementation of NTUC Club's Customer Loyalty Programme — Request for Vendor Proposal

1. Document Guidelines

1.1 Purpose of the Document

This document is issued to prospective vendors to support preparation of a proposal / quotation. It defines the business background, phased requirements, non-functional expectations, compliance obligations and security standards for the NTUC Club loyalty programme platform. NTUC Club has not pre-selected a platform, architecture or vendor; vendors are invited to propose the solution design and technical approach that best meets these requirements, and to highlight where alternative approaches may better serve the stated objectives.

Vendors should read this BRD together with the Tender documents and any commercial terms issued separately. Where this BRD and the CT conflict on commercial or procurement process matters, the CT shall prevail; where they conflict on functional/technical scope, vendors should flag the discrepancy for clarification.

1.2 Distribution

This document is issued to shortlisted vendors invited to respond to the Closed Tender CT00008 (CT) for the NTUC Club loyalty programme platform, and to internal stakeholders listed.

1.3 How to Use This Document

- Requirements are numbered (e.g. BR-P1-001) for traceability between this BRD, vendor proposals, and the eventual solution design / test plan.
- Requirements are tagged by priority: Must Have (mandatory for the relevant phase), Should Have, Could Have, or flagged for a later phase (Phase 2 / Phase 3).
- Sections marked "Vendor to Propose" indicate NTUC Club is deliberately not prescribing a solution and wants to see the vendor's recommended approach, with trade-offs, in the proposal.
- Compliance requirements applicable to this engagement are set out separately from this document, in the accompanying **10. Statement of Compliance v1.0.docx**.

Vendors are required to review and respond to this document in full as part of their proposal submission, indicating their compliance status against each requirement, with remarks where relevant.

Any deviation, qualification or exclusion should be substantiated and will be reviewed by NTUC Club as part of proposal evaluation.

2. Introduction

NTUC Club is seeking a vendor to configure, integrate and implement a loyalty programme technology platform for its portfolio of leisure, recreation and lifestyle destinations ("the Club's touchpoint"), with all business units (including Downtown East (DE), D'Resort, MICE, NTUC Club Clubhouses, Orchid Country Club (OCC), Aranda Country Club (ACC), Wild Wild Wet (WWW), My Golf Kaki (MGK), D'Resort), and its participating tenants. The programme is intended to capture first-party member data, change customer behaviour in ways that grow revenue and margin, and channel value to participating tenants.

The programme will be delivered in three phases:

- Phase 1 — MVP: a simple, free-to-join, two-tier points programme rolled out to participating tenants at the 4 NTUC Club Clubhouses, Orchid Country Club, Aranda Country Club and Downtown East (DE). Scope covers participating tenants at these locations only and excludes business units. Targeted Go-Live: 1 December 2026.
- Phase 2 — Growth & Engagement: deeper systems integration (parking, POS, other facilities), missions/challenges, and expansion of tiering and partner offers, covering all business units (including Downtown East (DE), D'Resort, MICE, NTUC Club Clubhouses, Orchid Country Club (OCC), Aranda Country Club (ACC), Wild Wild Wet (WWW), My Golf Kaki (MGK), D'Resort), and its participating tenants.
- Phase 3 — Mature Ecosystem: advanced personalisation, gamification, an experience marketplace, member community features and referral mechanics.

NTUC Club is not prescribing the underlying platform or architecture. Vendors are asked to propose a solution — white-label or otherwise — that provides a stable foundation of core member benefits at launch while remaining highly configurable for evolving marketing benefits, without requiring major platform redevelopment as the programme matures.

Proposals should include a 3-year roadmap, timeline and cost breakdown covering the Phase 1, together with ongoing support and enhancement costs. For Phase 2 and 3, a budgetary estimate is required based on 3 years of operation.

3. Business Background

3.1 Why This Programme Is Needed

- Capture first-party member data to better serve NTUC members.
- Change customer behaviour in ways that drive revenue and margin.
- Give greater value back to participating tenants.

3.2 Key Customer Segments

Families, PMEs (Professionals, Managers and Executives), and DINKs/Silvers (dual-income-no-kids and senior/retiree households).

3.3 Customer Proposition

Brand promise: *"Your Third Place Rewards You More"*

Your favourite place to eat, play and connect — the more you visit, the more rewarding every visit becomes. Members earn points, enjoy member-exclusive perks, and unlock greater benefits over time. Tagline direction

under consideration: “Your next visit will always be more rewarding,” potentially reinforced by visit-based accelerators (e.g. bonus value for multiple same-day receipts across different tenants) and campaign-driven stamp-card mechanics.

3.4 Expected Programme Outcomes

- Allow NTUC Club to track every visitor across every touchpoint.
- Enable NTUC Club to channel customers to tenants, including its own businesses.
- Reward the Club's most loyal customers.
- Increase visit frequency and repeat purchase.
- Grow member penetration and engagement.

4. Project Objectives

- Deliver a branded loyalty platform under the NTUC Club identity, whether through a white-label or equivalent configurable solution that is easy to use for members and administrators, and that can scale and grow with the programme as it develops.
- Deliver a stable foundation of core member benefits at launch, while enabling highly configurable, evolving marketing benefits that adapt to changing customer needs, business priorities and market conditions — without requiring major platform redevelopment.
- Deliver the approved Minimum Viable Product (MVP) to Go-Live by 1 December 2026, covering its participating tenants in the 4 NTUC Club Clubhouses, OCC, ACC and Downtown East (DE) – Phase 1.
- This programme should eventually cover all business units (including Downtown East (DE), D'Resort, MICE, NTUC Club Clubhouses, Orchid Country Club (OCC), Aranda Country Club (ACC), Wild Wild Wet (WWW), My Golf Kaki (MGK), D'Resort), and its participating tenants – Phase 2 and Phase 3.
- Establish a single loyalty programme framework that can be adopted across all NTUC Club business units and its participating tenants.
- Vendors should recommend their preferred approach for delivering the solution as a mobile application, noting any implications for integration. The MVP scope has been properly defined in this document and is expected to be delivered in full, ideally benchmarked against comparable programmes (e.g. Changi Rewards App) in terms of usability and feature maturity. Where Vendors see value in additional capabilities beyond this scope, these may be proposed separately for discussion.

5. Scope of Engagement

5.1 In Scope

- Loyalty programme solution design covering membership, tiering, points accrual and redemption, rewards, promotions and customer journeys.
- Platform configuration and setup: programme rules, earn/burn mechanics, member tiers, rewards catalogue, and administration and reporting tools.
- Integration to our CRM based on Salesforce.
- Integration to NTUC Club's marketing automation platform(s) for automated, triggered and personalised member communications, segmentation and campaign performance reporting.

- The scope of this tender includes delivering an integrated Customer Identity and Access Management platform (encompassing SSO) to support mandatory SingPass/MyInfo authentication. The platform will also accommodate standard login methods, including Google, Apple ID, email address, and mobile phone number verification.
- Data extraction capability enabling member, transaction, points, tier, campaign and consent data to be exported and imported into NTUC Club's central data warehouse for enterprise analytics and reporting.
- Data integration with the NTUC HQ system on membership verification of union members for all Union members, including migration and reconciliation of existing member and transaction data where applicable.
- Consolidate customer data across loyalty transactions, bookings, events, facility visits, and member activities to provide a unified customer view.
- Support real-time synchronisation of NTUC membership status to automatically update loyalty eligibility and member benefits.
- Provide API integrations, scheduled data feeds, and data export capabilities for seamless integration with applicable systems integrated.
- End-to-end testing, User Acceptance Testing (UAT), defect resolution and production readiness validation.
- Deployment, launch support and stabilisation-period issue resolution.
- Administrator and user training, and delivery of system documentation, operating procedures and support guides.
- Post-implementation warranty, maintenance and technical support for an agreed period after go-live.
- Systems integration (from Phase 2 onward): POS, payment gateway, corporate website, parking, ticketing and other relevant platforms.

5.2 Out of Scope (for this tender)

- Physical parking hardware/system replacement — Phase 1 uses physical coupons; system integration with the existing parking vendor (Wei Long) is a Phase 2 item.
- Redemption via the Links catalogue / points-to-purchase conversion — targeted for Phase 3.
- Integration with the existing NTUC Club corporate website — is a Phase 2 item.
- Tenant-facing self-service reporting portals — not required at launch; tenants will not have direct access to their own reports.

5.3 Phasing Overview

Phase	Objective	Focus
Phase 1 MVP	Acquire members; drive fast, simple sign-ups; establish visit and spend habits.	Build membership base and transaction capture. Launch fast and simple.
Phase 2 Growth & Engagement	Increase visit frequency and customer lifetime value.	Drive behavioural change through frequency, cross-spend and tier recognition; deeper systems integration.
Phase 3 Mature Ecosystem	Maximise revenue, profitability and emotional loyalty.	Build a lifestyle ecosystem that increases customer lifetime value and creates emotional loyalty beyond points and discounts.

6. Stakeholders & Governance

Stakeholder / Team	Role in Programme	Notes
Marketing	Programme owner; defines MVP success criteria, customer proposition, campaigns.	To confirm mandatory report set and MVP benchmark.
Future Loyalty Team	Monitors the loyalty programme post go-live.	Team formation in progress.
Customer Experience (CX)	Handles member enquiries and disputes.	Vendor to support with case tools / admin console.
Finance	Reward funding, points liability accounting, reconciliation, reporting.	Points liability accounting treatment to be confirmed.
Tenants / Participating Merchants	Fund and/or fulfil selected rewards; participate in earn/burn at point of sale.	Participation basis (opt-in vs mandated) to be confirmed.
NTUC HQ / Group IT	Data integration, SingPass/MyInfo baseline identity, group cybersecurity standards.	Group cybersecurity and data policies apply.
Vendor (this tender)	Platform development and configuration, integration, testing, deployment, training, support, maintenance.	Refer to Vendor Deliverables in the document.

7. Member Benefits Framework

The loyalty programme must provide members with a mix of two categories of benefit:

7.1 Core Benefits (Mandatory at Launch)

- Points earning and redemption
- Welcome rewards
- Birthday rewards
- Parking privileges integration
- Member-only promotions
- Tier-based recognition and benefits
- Digital membership card

7.2 Flexible Marketing Benefits (Vendor to offer Recommendation)

The platform must support highly configurable, campaign-based benefits that can evolve over time without significant development effort. Indicative examples — vendors are encouraged to propose innovative engagement and reward mechanisms beyond this list:

- Bonus point campaigns
- Visit frequency rewards
- Cross-property incentives
- Event access and invitations
- Partner and tenant funded promotions

- Surprise-and-delight rewards
- Seasonal campaigns
- Gamification mechanics
- Challenges and missions

8. Business Requirements — Phase 1 (MVP)

Objective: acquire members and drive fast, simple sign-ups; establish visit and spend habits across participating tenants at multiple locations, outside of Downtown East (DE). Target: Go-Live by 1 December 2026. The first year is deliberately about building membership scale, not introducing complex mechanics.

8.1 Systems Integration

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-001	POS integration (tenant QR scanner model)	Platform supports transaction capture at participating tenants via a dedicated QR scanner/device provided to each participating tenant, similar to the Changi Rewards App model: the member presents their digital membership QR code at checkout, the tenant scans it using the provided scanner (or scanner app), and the qualifying transaction amount is captured and credited as points. Vendor to propose the scanner/device form factor (e.g. handheld scanner, tablet-based app, or POS-integrated scanning) and the process for issuing, onboarding and supporting scanners across participating tenants at scale, including fallback procedures if a tenant's scanner is offline.	Must Have
BR-P1-002a	CRM integration	Provide bi-directional integration with Salesforce CRM to ensure synchronized member profiles, consent records, and campaign orchestration between the solution and CRM platform.	Must Have
BR-P1-002b	Marketing automation integration	Bi-directional integration with NTUC's CRM system(s) for unified member profile, consent and campaign orchestration. Integration with NTUC Club's marketing automation platform(s) to enable automated, triggered and personalised member communications across email, SMS and push. Must synchronise member profile, tier status, points balance, transaction events and channel-level marketing consent, and support audience segmentation, campaign triggers (e.g. enrolment, tier upgrade, points expiry, birthday, lapsed visit) and closed-loop campaign performance reporting. Vendor to state supported platforms and integration method.	Must Have
BR-P1-002c	Data extraction to central data warehouse	Member, transaction, points, tier, campaign and consent data must be extractable for import into NTUC Club's central data warehouse. Vendor to provide automated, scheduled bulk export and/or API-based extracts (full and incremental/delta) in standard machine-readable formats (e.g. CSV, JSON, Parquet), with a published data dictionary and schema, in line with PDPA and NTUC Group data governance and security requirements.	Must Have

8.2 Membership & Tiering

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-003	Free membership	Membership is free to join at launch. Vendor to support a future rule change (Year 2+) where Tier 2 retention requires a points deduction / renewal spend, without re-platforming.	Must Have
BR-P1-004	Two-tier structure	Programme supports two tiers at launch: Tier 1 – Member (default) and Tier 2 – Premium (spend-based / NTUC member auto-placement). Eligibility criteria (spend thresholds, qualifying period) must be configurable by an administrator, not hard-coded.	Must Have
BR-P1-005	Automatic NTUC member tier placement	NTUC members can be automatically placed into Tier 2 on enrolment, subject to eligibility rules to be finalised. Platform must support alternative rule sets (e.g. spend-based qualification for non-NTUC members) so the final policy can be configured without redevelopment.	Must Have
BR-P1-006	Configurable tier qualification & retention rules	Administrators can configure qualifying spend thresholds (e.g. minimum consecutive-month spend, rolling annual average spend), qualification windows, and downgrade/retention rules (e.g. annual spend renewal) via an admin console, without vendor development effort.	Must Have
BR-P1-007	Consistent rebate yield across tiers	Both tiers earn at the same underlying rebate yield (i.e. earn value per dollar spent is consistent across members); tier differentiation is delivered through redemption value and ancillary benefits, not differential earn rates, unless configured otherwise by NTUC Club.	Must Have

8.3 Points Earning

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-008	Simple earn rate	Base earn rate of \$1 qualifying spend = 1 point, configurable by an administrator (rate, rounding rules) without code changes.	Must Have
BR-P1-009	Configurable earn basis	Platform must allow NTUC Club flexible configuration rule settings; to configure whether points are calculated before or after discounts, and whether GST and service charges are included in the points calculation, as an admin-configurable rule per merchant/category.	Must Have
BR-P1-010	Exclusion rules	Administrators can flag specific product/category codes or transaction types (e.g. gift cards, vouchers) as excluded from points earning.	Must Have
BR-P1-011	Points expiry	Points expire 12 months from the date earned, with automated member notification ahead of expiry. Expiry period must be configurable.	Must Have
BR-P1-012	Refund / reversal handling	When a qualifying transaction is refunded or reversed, the platform must automatically reverse the associated points (or flag for manual adjustment where the points have already been redeemed), maintaining an auditable ledger.	Must Have
BR-P1-013	Points multipliers	Platform supports configurable point multipliers (e.g. 2x, 3x) applicable to specific transactions, campaigns, tiers or time windows (used for birthday and welcome mechanics below).	Must Have

8.4 Redemption

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-014	Points-to-voucher conversion	Members can convert accumulated points into vouchers/discounts per a configurable conversion table (e.g. 1,000 points = \$5 or \$10 voucher, per the rebate-yield scenario adopted).	Must Have
BR-P1-015	Reward funding attribution	Platform must record and report which party funds each reward (NTUC Club, tenant, or co-funded) to support reconciliation and settlement; final funding policy to be confirmed.	Must Have
BR-P1-016	Reward/voucher expiry	Issued vouchers/rewards expire 12 months from issuance by default; expiry period configurable per reward type.	Must Have
BR-P1-017	Multiple redemptions per transaction	Members can redeem more than one reward/voucher within a single transaction.	Must Have
BR-P1-018	Redemption channel	Redemption is available via the digital membership channel (app/web) and, where applicable, at participating tenant point-of-sale.	Must Have

8.5 Digital Membership & Member Profile

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-019	Digital membership card	A digital membership card (QR/barcode or equivalent) is available to every member, viewable in-app and/or via a mobile web view.	Must Have
BR-P1-020	SingPass / MyInfo enrolment baseline	Member enrolment should support SingPass / MyInfo as the baseline identity and data-capture method, consistent with NTUC's current standard, retrieving only the MyInfo data fields necessary for enrolment and programme administration. In addition to SingPass / MyInfo, the platform must support alternative enrolment and login methods, including Google email account, Apple ID, email address and mobile phone number (OTP-based), so that non-SingPass users can join and access the programme.	Must Have
BR-P1-021	Basic member profile	Platform captures and maintains a basic member profile (identity, contact, consent preferences, tier status, points balance, transaction history) with self-service update of contact and marketing-consent preferences.	Must Have
BR-P1-022	Consent & preference management	Members can view and manage marketing consent (channel-level: email, SMS, push, etc.) in line with PDPA and Do Not Call Registry requirements.	Must Have

8.6 Welcome & Birthday Rewards

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-023	Welcome bonus	New members automatically receive a configurable welcome bonus (points and/or a digital bundle of deals) funded from NTUC Club-owned assets, valid for a configurable period (e.g. 30 days) at participating tenants.	Must Have

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-024	Birthday rewards	Birthday rewards are triggered on the member's first qualifying transaction during their birthday month, applying a configurable points multiplier (e.g. 2x for Tier 1, 3x for Tier 2). Platform must support future change to a fixed birthday-date trigger without redevelopment.	Must Have

8.7 Parking Privileges

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-025	Free parking entitlement (Phase 1: manual)	Members receive a free parking entitlement, capped monthly by tier (Tier 1: 1 hour/month; Tier 2: 2 hours/month). Phase 1 is fulfilled via a physical/printed coupon issued through the loyalty channel; no live parking-system integration is required in Phase 1.	Must Have

8.8 Promotions & Reporting

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P1-026	Member-only promotions	Administrators can create and target promotions restricted to loyalty members (all members or by tier/segment), independent of the core points engine.	Must Have
BR-P1-027	Reporting dashboard	Self-service reporting dashboard for internal stakeholders (Marketing, Finance) covering membership, transactions, points issued/redeemed/expired, campaign performance, and reward funding/liability. Approximately 20 report types are anticipated at launch, including Finance reports; the exact report catalogue will be finalised with vendor input. In addition to the mandatory reporting dashboards, the reporting platform shall either integrate with, or support the import/upload of external data from, NTUC HQ's Analytics Platform (Insights) to enable consolidated reporting, analytics, and cross-platform insights.	Must Have
BR-P1-028	Report access control	Role-based access to reports; tenants do not have direct self-service access to their own reports in Phase 1.	Must Have
BR-P1-029	Self-service, on-demand reporting	Reports are generated on a self-service, on-demand basis rather than a fixed push schedule, with export to common formats (CSV/Excel/PDF).	Should Have

8.9 Phase 1 Focus KPIs

- Member acquisition
- Activation rate
- First redemption rate
- Database growth

9. Business Requirements — Phase 2 (Growth & Engagement)

Objective: increase visit frequency and customer lifetime value, extending the programme to other NTUC Club facilities beyond Downtown East (DE). Tier benefits in this phase should reward loyalty through increasing levels of Convenience, Recognition, Access, Value and Exclusivity.

9.1 Systems Integration

Note: tenant POS/QR-scanner transaction capture (BR-P1-001) and CRM integration (BR-P1-002) are delivered at Phase 1 launch. Phase 2 extends the integration landscape as follows.

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P2-001	Parking system integration	Live integration with the carpark system (with existing parking integration vendor) to apply member parking entitlements automatically, replacing the Phase 1 physical coupon process.	Must Have
BR-P2-002	Payment gateway integration	Integration with relevant payment gateway(s) where required to support earn/burn at checkout or in-app redemption purchases.	Should Have
BR-P2-003	Corporate website integration	Integration of loyalty enrolment, profile and redemption touchpoints with the NTUC Club corporate website.	Should Have
BR-P2-004	Ticketing / facility booking integration	Integration with ticketing and facility booking systems to support priority bookings, early access and tier-based booking privileges.	Must Have
BR-P2-005	API-based extensibility	All Phase 2 integrations delivered via documented, versioned APIs, enabling future business units to onboard without custom point-to-point integration.	Must Have

9.2 Tiering, Benefits & Partner Offers

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P2-006	Expanded tier benefits (Tier 1/2)	Parking privileges integrated to the carpark system; priority bookings and early access to other facilities; exclusive events at different venues; partner offers.	Must Have
BR-P2-007	Higher-value Tier 3 groundwork	Platform supports configuration of a higher qualifying-spend tier (e.g. \$5,000 - \$8,000 qualifying spend per the tiered framework with distinct earn/redemption values, ready for launch. Full Tier 3 member experience (VIP perks) is delivered in Phase 3.	Should Have
BR-P2-008	Cross-property incentives	Configurable rules to reward spend or visits across multiple NTUC Club properties/business units, not only Downtown East (DE).	Must Have

9.3 Missions, Challenges & Bonus Points Engine

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P2-009	Missions & challenges engine	Configurable mission/challenge mechanics (e.g. “Dine + Play”, “Visit 3 times this month”, “Spend \$200 in a month”) with progress tracking visible to members and configurable rewards on completion.	Must Have
BR-P2-010	Bonus points engine	Configurable bonus-point campaigns (e.g. double-points weekends, off-peak incentives, partner promotions) schedulable by admin without vendor development.	Must Have

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P2-011	Member events	Support for exclusive previews, family days and a Member Appreciation Month, including event access management tied to membership/tier status.	Should Have

9.4 Phase 2 Focus KPIs

- Frequency uplift
- Repeat visits
- Tier migration
- Incremental spending

10. Business Requirements — Phase 3 (Mature Ecosystem)

Objective: maximise revenue, profitability and emotional loyalty by building a lifestyle ecosystem around the programme, beyond points and discounts.

10.1 Advanced Features

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-P3-001	VIP Tier 3 launch	Full launch of Tier 3 (High-Value Customer), including higher-value perks and VIP experiences, per the tiered framework.	Must Have
BR-P3-002	Personalisation engine	Behaviour-based, personalised offers and communications driven by member transaction and engagement history.	Should Have
BR-P3-003	Gamification	Badges, achievement levels, challenges and leaderboards to sustain engagement.	Should Have
BR-P3-004	Experience marketplace	Members can redeem points for experiences, workshops, events and partner products, extending beyond simple vouchers.	Should Have
BR-P3-005	Links catalogue purchase (deferred)	Ability to use points to directly purchase vouchers via the Links catalogue is a Phase 3 requirement; Phase 1 solution design should not preclude this integration later.	Must Have
BR-P3-006	Categorisation features	Configurable categorisation features to organise programme entities (e.g. rewards, vouchers, campaigns, merchants, events, and content) for easier management and administration.	Must Have
BR-P3-007	Referral programme	Member-refers-friend mechanic where both referrer and referee earn rewards on qualifying referral completion.	Should Have

10.2 Phase 3 Focus KPIs

- Customer Lifetime Value (CLV)
- Revenue uplift
- Retention
- Member profitability

10.3 Roadmap Summary

Phase	Roadmap Statement
Phase 1	Build membership and transaction capture.
Phase 2	Drive behavioural change through frequency, cross-spend and tier recognition.
Phase 3	Build a lifestyle ecosystem that increases customer lifetime value and creates emotional loyalty beyond points and discounts.

11. Tier Structure & Rebate Yield Scenarios

The tier structure below reflects the current three-tier design (One / Two – NTUC Member / Three – High-Value Customer), all earning at \$1 spend = 1 point. Tier 3 is scoped to launch in Phase 2. NTUC Club is evaluating two rebate-yield scenarios; the redemption value per 1,000 points differs between them, but earn mechanics and tier structure are otherwise identical. The final scenario adopted will directly drive the platform's redemption conversion table and cost/liability model, so it is provided here for vendor cost-modelling purposes.

Reward points are valid for 1 year from the date earned and expire automatically thereafter. To maintain Tier 2 membership into the following membership year, members must redeem 1,000 points before the expiry date (subject to confirmation).

11.1 Scenario 1 — 0.5% Rebate Yield

Tiers (Scenario 1 – 0.5% rebate yield)

One Occasional Shopper	Two (NTUC Member) Frequent Spender \$1.5K min annual spend	Three High-Value Customer Qualifying spend of \$5,000 - \$8,000
1,000 Points \$5 Voucher Redemption Rebate Yield (\$0.005) <u>Earn Rate</u> \$1 Spend = 1 Point	1,000 Points \$5 Voucher Redemption Rebate Yield (\$0.005) <u>Earn Rate</u> \$1 Spend = 1 Point	1,000 Points \$10 Voucher Redemption Rebate Yield (\$0.01) <u>Earn Rate</u> \$1 Spend = 1 Point <i>To launch in Phase 2</i>
- Welcome Package: Digital bundle of deals valid for 30 days at participating tenants - Birthday Perks: 2x points multiplier on first transaction during birthday month - Parking Benefits: 1-hour comp parking (Capped at 2 per month) 2 x Day Passes to WWW per year	- Welcome Package: Digital insider pack with curated voucher booklet - Birthday Perks: 3x points multiplier on first transaction during month - Parking Benefits: 2-hour comp parking (Capped at 2 per month) - Facility Booking: Early bird booking privileges 4 x Day Passes to WWW per year - Up to 35% off BFR D'Resort Room	

Reward points are valid for 1 year from the date they are earned and will automatically expire thereafter. To maintain Tier 2 membership in the following membership year, members must redeem 1,000 points before the expiry date.

11.2 Scenario 2 — 1% Rebate Yield

Tiers (Scenario 2 - 1% rebate yield)

One Occasional Shopper	Two (NTUC Member) Frequent Spender \$1.5K min annual spend	Three High-Value Customer Qualifying spend of \$5,000 - \$8,000
1,000 Points \$10 Voucher Redemption Rebate Yield (\$0.01) <u>Earn Rate</u> \$1 Spend = 1 Point	1,000 Points \$10 Voucher Redemption Rebate Yield (\$0.01) <u>Earn Rate</u> \$1 Spend = 1 Point	1,000 Points \$15 Voucher Redemption Rebate Yield (\$0.015) <u>Earn Rate</u> \$1 Spend = 1 Point
- Welcome Package: Digital bundle of deals valid for 30 days at participating tenants - Birthday Perks: 2x points multiplier on first transaction during birthday month - Parking Benefits: 1-hour comp parking (Capped at 2 per month) 2 x Day Passes to WWW per year	- Welcome Package: Digital insider pack with curated voucher booklet - Birthday Perks: 3x points multiplier on first transaction during month - Parking Benefits: 2-hour comp parking (Capped at 2 per month) - Facility Booking: Early bird booking privileges 4 x Day Passes to WWW per year - Up to 35% off BFR D'Resort Room	To launch in Phase 2

Reward points are valid for 1 year from the date they are earned and will automatically expire thereafter. To maintain Tier 2 membership in the following membership year, members must redeem 1,000 points before the expiry date.

11.3 Scenario Comparison — Conclusion

The table below summarises how the two scenarios compare at a glance, to support NTUC Club's final decision on which rebate yield to adopt.

Dimension	Scenario 1 — 0.5% Rebate Yield	Scenario 2 — 1% Rebate Yield
Redemption rebate yield	0.5% of qualifying spend returned as voucher value	1% of qualifying spend returned as voucher value
Tier One / Two voucher value per 1,000 points	\$5 voucher	\$10 voucher
Tier Three voucher value per 1,000 points	\$10 voucher (1% yield at Tier 3) — Phase 2	\$15 voucher (1.5% yield at Tier 3) — Phase 2
Relative cost to NTUC Club / tenants	Lower reward funding and points-liability exposure	Approximately double the redemption cost and points liability of Scenario 1
Perceived member value	More conservative; may feel less compelling against comparable mall/attraction loyalty programmes	More competitive and easier to market; stronger pull for member acquisition and activation
Alignment with Phase 1 KPIs	Supports steady, lower-risk membership growth	Better supports Phase 1 focus KPIs of acquisition, activation and first redemption, at higher cost
Finance / liability consideration	Lower deferred-revenue / points-liability balance to manage.	Higher deferred-revenue / points-liability balance; Finance to confirm funding and reserve approach
Recommendation	Preferred if NTUC Club prioritises cost control in Phase 1	Preferred if NTUC Club prioritises faster member acquisition and a more compelling launch proposition

Final scenario selection is an open item for NTUC Club to confirm; the platform's redemption conversion table must remain admin-configurable so either scenario, or a revised variant, can be applied without vendor rework.

11.4 Comparative Summary by Tier

Tier	Qualifying Spend	Points per \$1	Voucher per 1,000 pts (Scenario 1)	Voucher per 1,000 pts (Scenario 2)
One — Occasional Shopper	None (default)	1 point	\$5 (0.5% yield)	\$10 (1% yield)
Two — NTUC Member / Frequent Spender	\$1,500 min annual spend	1 point	\$5 (0.5% yield)	\$10 (1% yield)
Three — High-Value Customer	\$5,000–\$8,000 qualifying spend	1 point	\$10 (1% yield) — to launch Phase 2	\$15 (1.5% yield) — to launch Phase 2

Implication for vendors: the redemption conversion table settings must be a fully admin-configurable parameter, not hard-coded, since NTUC Club has not finalised which rebate-yield scenario (or a variant) will be adopted, and this may be revisited between phases.

11.5 Tier Benefit Comparison (Phase 1 Launch Benefits)

Benefit	Tier One	Tier Two (NTUC Member)	Tier Three
Welcome package	Digital bundle of deals, valid 30 days at participating tenants	Digital insider pack with curated voucher booklet	To launch in Phase 2
Birthday perks	2x points multiplier on first transaction in birthday month	3x points multiplier on first transaction in birthday month	To launch in Phase 2
Parking benefits	1-hour comp parking, capped at 2/month	2-hour comp parking, capped at 2/month	To launch in Phase 2
Facility booking	—	Early-bird booking privileges	To launch in Phase 2
Day passes	2x Day Passes to WWW per year	4x Day Passes to WWW per year	To launch in Phase 2
Resort discount	—	Up to 35% off D'Resort room	To launch in Phase 2

12. Non-Functional Requirements

12.1 Performance & Scalability

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-001	Member base scalability	Platform must support growth from an initial NTUC member base to a group-wide member base across all NTUC Club business units within the 3-year roadmap, without re-platforming.	Must Have
NFR-002	Transaction throughput	Platform must handle peak transaction volumes (e.g. public holiday / school holiday footfall and water park/resort facilities) without degradation to enrolment, earn or redemption response times.	Must Have

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-003	Response time	Member-facing actions (balance check, redemption, digital card display) should complete within an acceptable response time under normal and peak load; vendor to propose target SLA.	Must Have
NFR-004	Elastic / cloud-based architecture	Vendor to propose an architecture (cloud-hosted preferred) that scales elastically with demand and supports future business-unit onboarding via configuration rather than custom builds.	Vendor to Propose

12.2 Availability & Resilience

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-005	Service availability	Production system availability target of 99.5% or better for member-facing services, excluding scheduled maintenance windows; vendor to propose and commit to an SLA.	Must Have
NFR-006	Backup & disaster recovery	Documented backup schedule and disaster recovery plan with defined Recovery Time Objective (RTO) and Recovery Point Objective (RPO); vendor to propose target figures appropriate to a member/loyalty ledger system.	Must Have
NFR-007	Graceful degradation	Where a dependent system (e.g. POS, parking gantry) is unavailable, the platform should queue/reconcile transactions rather than lose points-earning events.	Should Have

12.3 Usability & Accessibility

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-008	Simple, low-friction enrolment	Sign-up and login flow should be completable in a small number of steps, leveraging SingPass/MyInfo to minimise manual data entry, with Google email account, Apple ID, email address and mobile phone number as supported alternatives.	Must Have
NFR-009	Mobile-first design	Digital membership card, enrolment and redemption flows must be optimised for mobile devices, reflecting expected usage at physical points of presence.	Must Have
NFR-010	Multi-language support	Vendor to advise on support for English and other locally relevant languages, given the family/multi-generational customer segments targeted.	Nice to Have

12.4 Configurability & Extensibility

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-011	No-code / low-code campaign configuration	Marketing administrators must be able to configure earn rules, tier criteria, promotions, missions and reward catalogues without vendor development effort or code deployment, within guardrails set by NTUC Club.	Must Have
NFR-012	Modular, phased rollout	Architecture must support incremental enablement of Phase 2 and Phase 3 features (integrations, gamification, marketplace) without disruptive migration of Phase 1 member data or history.	Must Have

Req ID	Requirement	Description / Acceptance Criteria	Priority
NFR-013	Open, documented APIs	All integration points must be exposed via documented, versioned APIs to support future business units and third-party partner integrations.	Must Have

12.5 Security & Compliance

The proposed solution shall comply with applicable data protection legislation.

The Tenderer shall possess at least one of the following certifications:

- ISO/IEC 27001 Information Security Management System certification; or
- SOC 2 Type II certification.

Supporting documents shall be submitted together with the proposal -

- User Identity and access management
- Audit logging capabilities
- Cybersecurity controls implemented
- Encryption for data in transit and at rest
- Vulnerability management process
- Incident response process
- Backup and disaster recovery procedures

Detailed security and compliance requirements are addressed separately from this document, via the accompanying **NTUC Club IT Outsource Security Requirement Checklist v3.xlsx** spreadsheet.

Vendors are required to complete this checklist in full as part of their proposal submission, indicating their compliance status (Compliant / Partially Compliant / Not Compliant / Not Applicable) against each requirement, with remarks where relevant.

Any Non-Compliance, Partial Compliance or Not-Applicable response should be substantiated and will be reviewed by NTUC Club as part of proposal evaluation.

13. Reporting, Data & Systems Integration Requirements

13.1 Reporting Requirements

Approximately 20 report types are anticipated at launch, spanning Marketing and Finance needs. Indicative report categories (final catalogue to be confirmed with Marketing and Finance during solution design — vendors to propose what reports/dashboards needed for this). Example as per below:

- Membership: new sign-ups, active/inactive members, tier distribution, tier migration.
- Transactions: points earned, points redeemed, points expired, transaction volume and value by tenant/location.
- Campaigns: promotion performance, welcome/birthday redemption rates, mission/challenge completion (Phase 2+).
- Finance: points liability outstanding, reward funding/settlement by tenant, redemption cost by channel.
- Operations/CX: member enquiry and dispute volumes and resolution status (if surfaced from the loyalty platform).

- The reporting platform shall either integrate directly with or provide the capability to import/upload external data from, NTUC HQ's Analytics Platform (Insights), enabling consolidated reporting, analytics, and cross-platform insights.

Reports are to be accessed via a self-service dashboard rather than a fixed distribution schedule. Tenants do not require direct access to their own reports.

13.2 Data Integration with NTUC HQ Systems

Req ID	Requirement	Description / Acceptance Criteria	Priority
BR-DI-001	Member/transaction data migration	Migration of existing member and transaction data from current systems, where applicable, with defined data mapping, cleansing and validation rules.	Must Have
BR-DI-002	Data validation & reconciliation	Post-migration validation and reconciliation process with sign-off criteria before cutover.	Must Have
BR-DI-003	Ongoing sync with NTUC HQ system	Definition of system of record for member identity and consent, with a documented, scheduled or event-driven synchronisation mechanism between the loyalty platform and NTUC HQ systems. All data fields migrated and synchronised with NTUC HQ systems must be accurately mapped to the corresponding fields in the loyalty platform and integrated systems to ensure data consistency, integrity, and to prevent discrepancies in the retrieval and reporting of member data. The solution shall also define the data elements to be shared, including but not limited to benefit redemption, voucher utilisation, loyalty programme participation, and member engagement metrics, to support member value tracking, reporting, and analytics.	Must Have
BR-DI-004	SingPass / MyInfo integration	Integration with SingPass / MyInfo for identity verification and data pre-fill at enrolment, retrieving only the minimum necessary data fields, in line with SNDGO/GovTech National Digital Identity (NDI) technical and API usage requirements. SingPass / MyInfo is the baseline method; the platform must also support alternative enrolment and login via Google email account, Apple ID, email address and mobile phone number (OTP-based).	Must Have
BR-DI-005	Data extraction to central data warehouse	Platform must support extraction of member, transaction, points, tier, campaign and consent data for import into NTUC Club's central data warehouse. Vendor to provide documented, automated and scheduled bulk export / API-based extract capability (including full and incremental / delta extracts) in standard machine-readable formats, supporting downstream analytics and reporting. Data extraction must comply with PDPA and NTUC Group data governance and security requirements.	Must Have
BR-DI-006	Marketing automation integration	Integration with NTUC Club's marketing automation platform(s) to enable automated, triggered and personalised member communications across email, SMS and push channels.	Must Have
BR-DI-007	Customer Identity and Access Management	The scope of this tender includes delivering an integrated Customer Identity and Access Management platform	Must Have

Req ID	Requirement	Description / Acceptance Criteria	Priority
	platform (encompassing SSO) integration	(encompassing SSO) solution to support mandatory SingPass / MyInfo authentication, accommodating standard login methods including Google, Apple ID, email and mobile verification.	

13.3 Systems Integration Landscape (Phase 2+)

System	Integration Purpose	Phase
POS (tenant point-of-sale)	Transaction capture for points earning — via a QR scanner/device issued to each participating tenant, member presents digital QR at checkout (Changi Rewards-style model)	Phase 1
Parking system (Wei Long)	Automated application of parking entitlements at gantry	Phase 2
CRM	Unified member profile, consent, campaign orchestration	Phase 1
Marketing automation platform	Automated, triggered and personalised member communications (email, SMS, push); segmentation, campaign triggers and closed-loop campaign reporting	Phase 1
Central data warehouse	Scheduled bulk / API-based extraction of member, transaction, points, tier, campaign and consent data for enterprise analytics and reporting	Phase 1
Customer Identity and Access Management platform (encompassing SSO) integration	Integrated Customer Identity and Access Management platform (encompassing SSO) n providing SingPass / MyInfo authentication and standard login methods; single sign-on and identity management across NTUC Club digital touchpoints, credential and session management, identity linking and consent attribute propagation	Phase 1
Payment gateway	Earn/burn at checkout, in-app purchase of redemption items	Phase 2
Corporate website	Enrolment, profile and redemption touchpoints	Phase 2
Ticketing / facility booking	Priority booking, early access, tier-based privileges	Phase 2
Links catalogue	Points-to-voucher direct purchase	Phase 3
Mobile App (Vendor to propose)	Potential shared identity / unified access layer — architectural decision pending	Phase 1

13.4 Financial & Accounting Considerations

- Points liability: the platform must support accounting for deferred revenue / points liability of customer loyalty programmes, including outstanding liability reporting by tier and expiry cohort.
- Reward funding and settlement: where tenants co-fund rewards, the platform must support settlement/reconciliation reporting between NTUC Club and participating tenants.
- GST treatment of points issuance and redemption should be confirmed with NTUC Club Finance and reflected in report design.

14. Vendor Deliverables

Vendors are asked to submit a proposal to deliver a simple, configured, tested and operational loyalty platform, inclusive of Phase 2 and Phase 3 enhancements, launch support and ongoing enhancements as set out in this BRD. Proposals must include a timeline and cost breakdown for a 3-year plan, covering:

#	Deliverable	Description
1	Loyalty Programme Solution Design	Detailed solution design covering membership, tiering, points accrual and redemption, rewards, promotions and customer journeys; functional and technical specifications aligned to this BRD.
2	Platform Configuration & Setup	Configuration of the loyalty platform including programme rules, earning and redemption mechanics, member tiers, rewards catalogue, and administration/reporting tools.
3	Systems Integration (Phase 2)	Integration with identified systems (CRM, POS, payment gateway, website, mobile app, parking, ticketing and other relevant platforms); development and testing of APIs and data interfaces.
4	Data Integration with NTUC HQ System	Migration of existing member and transaction data where applicable; data validation and reconciliation.
5	Testing & Quality Assurance	End-to-end system testing, User Acceptance Testing (UAT), defect resolution, and production readiness validation.
6	Launch & Deployment	Deployment of the solution into the production environment; launch support and issue resolution during the stabilisation period.
7	Training & Documentation	Administrator and user training; delivery of system documentation, operating procedures and support guides.
8	Post-Implementation Support	Warranty, maintenance and technical support for an agreed period after go-live.

15. Implementation Roadmap & Indicative Timeline

Vendors should propose a detailed project plan; the indicative milestones below reflect NTUC Club's target dates and are provided as a planning baseline.

Milestone	Target Timing	Notes
Vendor selection & contract award	Q3 2026	Following evaluation of vendor proposals against “Success Metrics / KPIs Summary” criteria.
Solution design sign-off	Q3 2026	Includes resolution of open items that affect design.
Phase 1 configuration & build	Q3–Q4 2026	Core benefits, 2-tier structure, digital card, reporting dashboard.
UAT & production readiness	Q4 2026	End-to-end testing and defect resolution.
Phase 1 go-live (MVP)	1 December 2026	4 NTUC Club Clubhouses, Downtown East (DE) and its participating tenants.

Milestone	Target Timing	Notes
Phase 2 planning & integration build	2027	POS/receipt capture, parking, CRM, ticketing integrations; Tier 3 groundwork.
Phase 2 go-live	2027	Other facilities onboarded; missions/challenges; bonus points engine.
Phase 3 planning & build	2028	Personalisation, gamification, experience marketplace, referral programme.
Phase 3 go-live	2028	Full VIP Tier 3 and mature ecosystem features.

Vendors should present cost estimates broken down by phase (one-off configuration/integration cost vs. recurring licensing/support cost) across this 3-year plan.

16. Success Metrics / KPIs Summary

Phase	Key KPIs
Phase 1	Member acquisition; activation rate; first redemption rate; database growth.
Phase 2	Frequency uplift; repeat visits; tier migration; incremental spending.
Phase 3	Customer Lifetime Value (CLV); revenue uplift; retention; member profitability.

17. Assumptions, Dependencies & Constraints

17.1 Assumptions

- The programme is organisation-wide in intent (not limited to Downtown East (DE)), with Phase 1 onboarding DE tenants first.
- SingPass/MyInfo will be the baseline identity and data-capture mechanism for member enrolment, consistent with current NTUC standards.
- NTUC Club will provide the funding policy, final tier qualification criteria and rebate-yield scenario decision in time to inform solution design sign-off.
- Existing member/transaction data (where it exists) will be made available by NTUC HQ systems for migration in a reasonable format.

17.2 Dependencies

- Existing Parking Integration vendor (Wei Long) cooperation for Phase 2 carpark system integration.
- Tenant participation agreements (opt-in basis, POS/receipt-capture cooperation) being in place ahead of each phase.
- SNDGO/GovTech approval and API access for SingPass/MyInfo integration.

17.3 Constraints

- Phase 1 MVP must go live by 1 December 2026.

- Managing bespoke POS integration at every individual tenant is not operationally viable; Phase 2 capture approach must be scalable across many tenants.
- Budget and resourcing for a 3-year phased roadmap, to be confirmed through the vendor cost proposal and internal budget approval.
- Member, transaction and behavioural data shall remain the property of NTUC Club and must be accessible through standard integration and export mechanisms.
- The solution shall support bi-directional integration with NTUC's CRM systems for unified member profiles, consent management, campaign orchestration and member behaviour insights.
- The solution must comply with applicable PDPA and NTUC Club information security requirements.

18. Vendor Proposal & Evaluation Requirements

Vendors should structure their proposal to address each of the following. NTUC Club will evaluate proposals on a combination of functional fit, technical approach, commercial cost and vendor track record; weighting to be confirmed in the CT covering letter. Security and compliance posture will be evaluated separately via the completed IT Outsource Security Requirement Checklist (see Section 12.5).

Area	Weight (indicative)	What Vendors Should Demonstrate
Functional fit	To be confirmed in CT	Coverage of Phase 1 Must Have requirements at launch; credible roadmap for Phase 2/3; configurability without redevelopment.
Technical architecture	To be confirmed in CT	Scalability, integration approach (especially POS/receipt capture at scale), API strategy, hosting model.
Delivery track record	To be confirmed in CT	Relevant reference implementations, especially loyalty/CRM platforms integrated with SingPass/MyInfo in Singapore.
Commercial	To be confirmed in CT	3-year cost breakdown (one-off vs. recurring), transparency of pricing model (e.g. per-member, per-transaction, flat licence).
Support & governance	To be confirmed in CT	Post-launch support model, SLAs, escalation path, and proposed roles/responsibilities split with NTUC Club.

10. Statement of Compliance

Statement of Compliance

Notes:

The Tenderer shall fill in the Statement of Compliance Table with one of the following responses for all clauses in Part 2 – Requirement Specification:

“Compliance” **or** **“C”**

: Able to comply fully with the requirements. The Tenderer shall not add comments against the clause that vary the meaning of full compliance. However, comments indicating references to supporting documentation or literature to substantiate the response are permissible. Any other comments which vary the meaning of full compliance will be ignored.

For statements that do not require the Tenderer to meet a specific requirement but merely provide information, the Tenderer's response shall state **“C”**.

“Partially Compliant” **or** **“PC”**

: Able to comply with the requirements only in part. The Tenderer shall clearly identify the aspects of the requirement that can be met and those that cannot, together with any proposed alternatives, workarounds, or future enhancements.

An explanatory note **must** be provided under the **"Remarks"** column for all responses marked **"PC"**.

“Non-Compliant” **or** **“NC”**

: Unable to comply with the requirements.

An explanatory note **must** be provided under the **"Remarks"** column for all responses marked **"NC"**, stating the reason for non-compliance and, where applicable, any alternative solution that may be offered.

“Not Applicable” **or** **“NA”**

: The requirement is not applicable to the Tenderer's proposed solution, services, or scope of supply.

An explanatory note **must** be provided under the **"Remarks"** column to justify why the requirement is considered not applicable.

Remarks

- Explanatory notes are **mandatory** for responses marked **"PC"**, **"NC"**, or **"NA"**.
- If the response is **"C"**, there shall **not** be any explanatory notes.
- Vague responses such as *"Refer to brochure attached"* are not acceptable. The Tenderer shall provide clear, specific, and sufficiently detailed explanations to support the stated compliance status.

Legend

- **C** = Fully compliant (no remarks allowed)
- **PC** = Meets only part of the requirement (remarks required)
- **NC** = Does not meet the requirement (remarks required)
- **NA** = Requirement genuinely does not apply (justification required)

Paragraph Reference	Please fill in “C” for Fully Compliant, “PC” for Partially Compliant, “NC” for Non-Compliant, and “NA” for Not Applicable.	Explanatory Notes

11. Price Schedule

The prices inserted by the Tenderers shall include end-to-end ideation and development of a comprehensive campaign concept, supported by an integrated creative strategy. The scope includes the creation of a detailed proposal outlining the strategic approach and creative development methodology. The Company shall focus on enhancing engagement to boost brand awareness and increase bookings.

The items and descriptions are not meant to be exhaustive, and the Tenderer may propose to replace or add other items as he deems fit and necessary. The pricing of the Price Schedules shall be only used as guidance for the purpose of evaluation or interim payment.

The Tenderer is requested to provide breakdown of items cost below and to indicate any items not listed but necessary for the completion of the project. The items and dimensions given are to be served as guide for the tenderer to indicate prices. If any of these items are not priced, it shall be deemed that the cost for such item/items has been allowed for elsewhere within this Tender and no claim against them will be considered.

PRICE SCHEDULE

TABLE 1 : TOTAL COST OF OWNERSHIP FOR THE SYSTEM

S/N	ITEMS	ONE-TIME COST (\$\$)	ANNUAL OPERATING COST (\$\$)			Remarks / Assumptions
			YEAR 1 (from go-live)	YEAR 2	YEAR 3	
SECTION A — PHASE 1 (MVP) IMPLEMENTATION (Go-Live 1 December 2026)						
A1	Loyalty programme solution design and platform configuration (programme rules, earn/burn mechanics, two-tier structure, rewards catalogue, digital membership card, admin and reporting tools)					Scope covers participating tenants at these locations only: 4 NTUC Club Clubhouses and Downtown East (DE) and excludes business units.
A2	Tenant transaction capture					
A3	CRM integration (Salesforce) (bi-directional member profile, consent and campaign orchestration)					
A4	Data integration with NTUC HQ system (union member reference and validation, ongoing synchronisation)					
A5	SingPass Login and MyInfo integration					One-time cost only. Recurring charges at B3.

S/N	ITEMS	ONE-TIME COST (\$\$)	ANNUAL OPERATING COST (\$\$)			Remarks / Assumptions
			YEAR 1 (from go-live)	YEAR 2	YEAR 3	
A6	Testing, UAT and production readiness (end-to-end testing, defect resolution, cutover)					
A7	Training and documentation (administrator and user training, system documentation, operating procedures, support guides)					
A8	Launch support and stabilisation					
SUB-TOTAL — SECTION A						
SECTION B — RECURRING SUBSCRIPTION & SUPPORT (Phase 1 scope, 3 years from go-live)						
B1	Annual subscription cost — platform licensing, hosting, production support and application management (AMS)					State the member volume band this price assumes, and the price basis (per member / tiered / flat).
B2	Incremental subscription cost per additional member volume band (If applicable)					Provide a rate card showing how cost scales beyond the assumed band at B1.
B3	SingPass / MyInfo per-transaction (any additional charges on top of what SingPass is charging)					State assumed annual retrieval volume and unit rate.
B4	Post-implementation warranty, maintenance and technical support					State warranty period included at no charge, if any.
SUB-TOTAL — SECTION B						

Notes:

1. It is mandatory for Tenderer to submit all cost items according to its tender proposal.
2. All costs to be quoted in Singapore Dollars and shall exclude GST.
3. Please include any overheads, including administrative overheads.
4. The scope priced at Phase 1 covers participating tenants at these locations only: 4 NTUC Club Clubhouses and Downtown East (DE) and excludes business units.
5. The scope priced at Phase 2 and 3 is organisation-wide, covering all NTUC Club business units (including Downtown East, D'Resort, MICE, UPlay, NTUC Club Clubhouses, Orchid Bowl, Quebec, Orchid Country Club, Aranda Country Club, nEbO, ULive, My Golf Kaki, My Family Kaki) and participating tenants.
6. Year 1 means the first twelve (12) months from Phase 1 go-live (target 1 December 2026). Years 2 and 3 are the subsequent twelve-month periods and are required, not optional.

7. Tenderers must complete every line. Where an item is included at no additional charge, enter "Nil" and state what it is bundled with. Blank cells may be treated as non-compliant.
8. All recurring prices must state the member volume band and transaction volume assumed. Where actual volumes exceed the stated band, the rate card at B2 shall apply.
9. The Total Tender Price for evaluation is the total of Sections A, B and C. Table 1A (Phase 2 / Phase 3 budgetary estimates) is excluded from evaluation of price.

TABLE 1A : BUDGETARY ESTIMATE — PHASE 2 AND PHASE 3

Phase 2 and Phase 3 are not contracted under this tender. Tenderers are required to provide a non-binding budgetary estimate based on three (3) years of operation, to inform NTUC Club's roadmap planning and internal budget approval. Estimates in this table are excluded from the Total Tender Price for evaluation purposes.

S/N	ITEMS	ESTIMATED ONE-TIME COST (S\$)	ESTIMATED ANNUAL OPERATING COST (S\$)	Remarks / Assumptions
PHASE 2 — GROWTH & ENGAGEMENT (indicative 2027)				
D1	Parking system integration (existing vendor — Wei Long)			
D2	POS / receipt-capture integration (beyond Phase 1 QR scanner model)			
D3	Corporate website integration			
D4	e-Voucher Management Integration including Giftcards			
D5	Ticketing / facility booking integration			
D6	Missions, challenges and bonus points engine			
D7	Tier expansion and partner / tenant-funded offers			
SUB-TOTAL — PHASE 2				
PHASE 3 — MATURE ECOSYSTEM (indicative 2028)				
E1	Advanced personalisation and segmentation			
E2	Gamification mechanics			
E3	Experience marketplace			
E4	Member community and referral mechanics			
E5	Links catalogue redemption / points-to-purchase conversion			
E6	Full VIP Tier 3 capability			

SUB-TOTAL — PHASE 3			
TOTAL — PHASE 2 + PHASE 3 (BUDGETARY)			

Notes:

1. All costs to be quoted in Singapore Dollars and shall exclude GST.
2. Estimates are indicative and non-binding but should reflect the Tenderer's good-faith view of likely cost at the stated scope.
3. Tenderers must state all assumptions relied on, including member volumes, transaction volumes, number of participating tenants and any third-party licence or hardware costs.
4. Where an item cannot be estimated without further scoping, state this and set out the information required, rather than omitting the line.

TABLE 2: CHANGE REQUEST (CR) MAN-DAYS

S/N	ITEMS	MAN-DAY RATE (S\$)	MAN-MONTH RATE (S\$)	Remarks / Assumptions
A1	Man-day rate for Change Requests			

Notes:

1. It is mandatory for the Tenderer to submit all costs listed above.
2. Volume discounts (if any) must be clearly stated.
3. All costs to be quoted in Singapore Dollars and shall exclude GST.
